## EXPERIENCE & INTERNSHIP

**Application Development Trainee**  
**MERN Stack development Training**

Feb 2024 - Jun 2024

- Faceprep, Coimbatore
- Gaining knowledge about the MERN stack and used to develop websites using HTML, CSS, JS, REACT, Node.js and Express.js.

**Front End Intern**

Feb 2023 - Apr 2023

**DuraTech Solution, Coimbatore**

- Acquired foundational skills in HTML and CSS at VOS Solutions, culminating in the Creation of static websites.
- Completed assigned tasks on time and continuously improved through sessions and self-learning.

**Event Coordinator**

Sep 2023 - Apr 2024

**SNS College Of Technology**

- Organized an music event at September 2023
- Successfully coordinated a Baduga Fest during April 2024 for the First time in college.

## PROJECTS

**Smart Bag**

Apr 2024 - May 2024

Enhance security by permitting only authorized users to unlock devices or systems, ensuring access is restricted to approved individuals only.

**Logo Scanning Using Unity**

Feb 2024 - Mar 2024

The AR-based project scans a target image to generate and display a video using augmented reality technology. This creates an interactive and immersive experience based on visual cues.

**Head Light Dimmer**

Mar 2024 - Apr 2024

Adjust the vehicles headlights based on ambient lighting condition

## EXTRACURRICULAR ACTIVITIES

**All Avenue**

Oct 2023 - Jul 2024

**Rotaract club of Green City**

As an all-avenue Rotaract member, I contribute to community service, international projects, and club operations. My role involves organizing events, fostering global partnerships, and engaging in professional development, enhancing my leadership skills and creating a positive impact.
